## Compressors

- Stationary Compressors 5 to 600 H.P.
- Single and Two Stage Design
- Rotary Screw Vacuum Systems
- 24KT Systems With Ten Year Warranty
- Contaminant Removal Systems
- Oil Free Compressors
- Variable Speed Compressors

Authorized Distributor for

- Oil-Free Rotary Air & Scroll Compressors
- Fixed & Variable Speed
- Vortex Blowers

**HITACHI**  
Inspire the Next

- Reciprocating Air Compressors 1/2 Thru 60 H.P.
- Oil-Less Compressors/Medical Air
- Climate Control Units
- Portable Air Compressor
- High Pressure System

## Air/Gas Dryers

- Refrigerated Air/Gas Dryers
- Refrigerated Water Chillers
- Regenerative Air Dryers
- Nitrogen Generator Systems
- Aftercoolers
- Filters
- Automatic Drains
- Breathing Air Systems
- Closed Loop Cooling Systems
- Zero Loss Drains
- Regulators and Lubricators

## Blowers / Vacuum

- Three-Lobe Rotor Design
- Capacities to 8500 CFM
- Low dBA
- Vacuum Pump Packages
- Oil-Free Low Pressure Screw Compressors
- Regenerative Blowers
- Hospital Medical Vacuum

## Compressed Air Management

- Compressed Air Audits
- Downstream Products
- Airleader Master Control / Online Monitoring
- Compressed Air Supply - Lease With Maintenance

- Pre-Engineered Piping Systems
- Piping Installation
